(A Wholly Owned Subsidiary of Aspen Partners, Ltd.):

Report on the Financial Statements

We have audited the accompanying statement of financial condition of Frontier Solutions, LLC (A Wholly Owned Subsidiary of Aspen Partners, Ltd.) as of December 31, 2012, and the related statements of income, changes in member's equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Frontier Solutions, LLC (A Wholly Owned Subsidiary of Aspen Partners, Ltd.) as of December 31, 2012, and the results of their operations and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

December 31, 2012

Note 1 - Nature of Business

Frontier Solutions, LLC ("the Company") was organized on May 3, 2005 and is engaged in the business of providing marketing and distribution services for the investment programs of Aspen Partners, Ltd. The Company is a wholly owned subsidiary of Aspen Partners, Ltd. ("the Parent") and was incorporated in the State of Georgia on May 3, 2005. The Company is registered as a broker-dealer with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority ("FINRA").

The Company provides registration and compliance services for registered representatives engaged in third-party marketing as independent contractors to private investment funds. As the Company does no retail business it has no clearing firm, and clears no trades.

The Company operates under the provisions of Paragraph (k)(2)(ii) of Rule 15c-3 of the Securities Exchange Act of 1934, and accordingly, is exempt from the remaining provisions of the Rule. Under these exempt provisions, the Computation for Determination of Reserve Requirements and Information Relating to the Possession and Control Requirements are not required.

Note 2 - Significant Accounting Policies

Basis of Accounting

These financial statements are presented on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

The carrying amounts of the Company's financial assets such as cash, receivables, prepaid expenses and other assets approximate fair value due to the short-term maturities of these instruments.

Securities Transactions

Purchases and sales of securities are recorded on a trade date basis. Commission revenue and expense are recorded on a settlement date basis, generally the third business day following the transaction. If materially different, commission revenue and related expenses are recorded on a trade date basis.

Trading Profit

Trading profits include gains and losses on securities traded as well as adjustments to record securities positions at market value.

Revenue and Expense Recognition

Revenues and expenses are recognized on the accrual basis. Revenues are recognized in the period earned and expenses when incurred.

FRONTIER SOLUTIONS, LLC
(A Wholly Owned Subsidiary of Aspen Partners Ltd.)

Notes to Financial Statements

December 31, 2012

(Continued)

Subsequent Events

The Company evaluates events that occur subsequent to the balance sheet date of periodic reports, but before financial statements are issued for periods ending on such balance sheet dates, for possible adjustment to such financial statements or other disclosure. This evaluation generally occurs through the date at which the Company's financial statements are electronically prepared for filing with FINRA. For the financial statements as of and for the period ending December 31, 2012, this date was February 27, 2013.

Note 3 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital of \$5,000 or 6.667% of aggregate indebtedness and requires that the ratio of aggregate indebtedness to net capital shall not exceed 15 to 1, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2012, the Company had net capital of approximately \$140,000 and net capital requirements of \$27,872. The Company's ratio of aggregate indebtedness to net capital was 2.99 to 1.

Note 4 - Related Party Transactions

The Company has a revenue sharing agreement with its Parent under which the Parent may transfer, on a monthly basis, up to 50% of its gross revenues generated from management fees, performance based fees, and administrative fees of all investment products for which registered representatives of the Company are paid a commission. During the year ended December 31, 2012, the Company did not pay commissions to the registered representatives associated with the Parent's investment products; therefore, no revenues were allocated to the Company.

During the year ended December 31, 2012, the Company had an expense sharing agreement with its Parent. The expense sharing agreement details certain expenses which may be assumed by its Parent, which are related to the Company's business as a broker-dealer. As of December 31, 2012, the Parent paid expenses on behalf of the Company in the approximate amount of \$45,000 which is included in the statement of income of the Company as of December 31, 2012. At December 31, 2012, the Company had a related party payable of \$6,227 due to the Parent for expenses under the agreement.

Note 5 - Commitment and Contingencies

Concentrations and Off Statement of Financial Condition Risk

The Company deposits its cash with financial institutions. Periodically such balances may exceed applicable FDIC insurance limits. On November 9, 2010, the FDIC issued a Final Rule implementing section 343 of the Dodd-Frank Wall Street Reform and Consumer Protection Act that provides for unlimited insurance coverage of noninterest-bearing transaction accounts. Beginning December 31, 2010, through December 31, 2012, all noninterest-bearing transaction accounts are fully insured, regardless of the balance of the account, at all FDIC-insured institutions. During year ended December 31, 2012, the Company did not have cash balances in excess of the then current federally insured limits.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL

The Board of Directors of and Member's
Frontier Solutions, LLC
(A Wholly Owned Subsidiary of Aspen Partners, Ltd.):

In planning and performing our audit of the financial statements and supplemental schedules of Frontier Solutions, LLC (A Wholly Owned Subsidiary of Aspen Partners, Ltd.) (the Company) as of and for the year ended December 31, 2012 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons, recordation of differences required by rule 17a-13, or
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2012 to meet the SEC's objectives.

This report is intended solely for use of the Board of Directors, member's, and management, the SEC, the Financial Industry Regulatory Authority, Inc. and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
